The world is online; engaging others with data, statistics, innovation, technology and content in various creative formats. But what really lacks in this era of digitisation is understanding the potential of Digital Marketing. Marketers lack the zest to explore new possibilities and follow the text book methods and entrepreneurs underestimate the power of Digital Marketing to elevate their business to the next level, with their audience online.

That's where The Digital Brunch, a certificate course, plays an important role in nurturing and preparing professionals and entrepreneurs and make them digital ready via curated modules from top notch industry experts.

REASONS TO JOIN THE DIGITAL BRUNCH:

- A certificate course from The Brown Scooter
- 16 to 32 hours of intense and curated lectures from industry professionals and experts. This is spread across one month.
- 100% placement assistance via assignment based projects from top companies in the city.
- Morning weekend batches.
- Basic and Advance Course learning. Opting for the Advance Course teaches you basic and advance modules.
- Network with your faculty/industry experts over a Brunch every class.
